

開授課程大綱

課程名稱：心理測驗實習（中文課程大綱）：

本課程乃為配合「心理測驗」必修課程，提供學生實際編製測驗的學習，故修課者限同時修習「心理測驗」或曾經修習過「心理測驗甲（上）」者。課程內容將以小組團體方式進行，各組配合「心理測驗」課程進度，練習測驗編製之實際過程。上課方式主要為課堂討論，故以課堂參與及期末報告為主要評量依據。

課程名稱：心理測驗實習（英文課程大綱）：

The practicum course is designed to supplement the required course of Psychological Testing to offer the students an opportunity to go through the process of test construction. Students should be simultaneously taking Psychological Testing, or have taken the course before. The entire class will be divided into groups. Each group is expected to construct a psychological test on subject of their interest. Grading is based on class discussions, group presentations, and final project reports.
