

<b>Seminar on Financial Issues</b>
<b>Course Description:</b>
This course provides tutorial in research project design. Students are required to take the initiative in choosing topics, seeking out resources and presenting drafts of one's own research paper. This course may serve as a stepping stone towards a graduate thesis.
<b>Course Objective:</b>
The goal of this course is to facilitate learning about strategies to conduct research. In the attempt to complete an original research project, writing and oral exposition skills of students will be improved as well.
